

The Canterbury Community Farmers Market Association is seeking new and renewing members for the 2025 season!

We invite you to support our mission to promote local food and agricultural products through regular, dynamic farmers markets. Our weekly market is also an important venue for the community to gather, and at the same time connect with local food producers!

- **MARKET MEMBERSHIPS** represent 50% of our basic operating budget each year.
- **MUSIC SPONSORSHIPS** support the Market AND your group or business! We will highlight your name at the musician's performance, and in all our Market promotions for that week.
- **"MARY ELLEN'S BASKET"** is how the Market helps Canterbury families who are food insecure. We are always grateful to members who give a little something extra to support this program.

The Market is held Wednesdays, first week of June through the first week of Oct., next to the Elkins Library, 4-6:30pm, rain or shine (except for big thunderstorms).

**Opening Day is
Wednesday,
June 4, 2025!**
